The University

Academically, Michigan ranks among the foremost universities in America. A survey of professional school deans not long ago rated U-M in the top 10 in 13 of the 18 professional areas surveyed, "the best overall record" in the words of The Los Angeles Times. The survey found "Five universities with outstanding reputations — Berkeley, Chicago, Columbia, Harvard and Michigan — have the greatest numbers of top-ranking professional schools."

Other recent surveys have found the following: U-M ranked among the top eight American research universities in a national survey of graduate department reputations and the number of faculty publications; 4,000 faculty members nationally ranked U-M among the top four universities; the College of Engineering was first for graduate level academics in three of seven fields surveyed; deans of business administration schools placed the employment value of a U-M M.B.A. degree among the top five and rated Michigan's executive programs among the top four; more top business executives earned degrees from U-M than from any other public college or university; and medical school faculty members ranked U-M among the top eight such schools.

Burton Tower

For over half of a century Angell Hall has been a symbol and center of the college of literature, science and the arts. Completed in 1924 and named for the University's president James B. Angell (1871-1909), this monumental office and classroom building is one of several on campus designed by Albert Kahn of Detroit.

School of Music

Michigan's schools and colleges cover the spectrum of human knowledge. To them for an education have come more than 269,000 degree holders, including the three-man crew of Apollo 15. Last year 18 percent of the student body came from all the other states in the nation, while another 5.5 percent were from some 100 other countries.

During 1981-82 sponsored research volume at Michigan totaled \$128,397,858. Projects ranged from abstract theoretical studies of the atom to methods of reducing the number and severity of highway accidents. The monthly survey of consumer sentiment is a nationally respected barometer of the nation's economic health. Practical holography or three-dimensional photography was invented at Michigan, while the scholarly renowned Middle English Dictionary is being compiled on the campus.

On the North Campus, the Phoenix Project has for three decades sought peaceful uses of atomic energy. A few hundred feet away, the Gerald R. Ford Presidential Library houses the papers of one of Michigan's most famous alumni.

The Medical Center is one of the largest health care facilities in the world. The area includes one of the nation's major medical schools, the largest baccalaureate school of nursing, and the nation's first University Hospital.

Michigan's faculty includes 16 members of the National Academy of Sciences and many presidents of national scholarly organizations. The U-M library system is one of the largest university systems in the country, with more than 5.8 million volumes.

The University is truly a state resource and a national asset.

Harold T. Shapiro President

Harold T. Shapiro became the University of Michigan's tenth president on January 1, 1980. A professor of economics and public policy at Michigan, he is one of the nation's ablest young economists. He is known for his research and writing in economic forecasting, public policy analysis, and econometrics.

With Economics Department Chairman Saul H. Hyman, Shapiro for the past decade has directed the Research Seminar in Quantitative Economics, which produces highly respected forecasts of national and regional economic activity.

Shapiro has established a reputation as one of U-M's best classroom teachers since joining the faculty in 1964. He was a member of the University Budget Priorities Committee (1972-74) before chairing it until 1977. He also chaired the Department of Economics from 1974 to 1977. From then through 1979 he was vice-president for academic affairs and chairman of the U-M Budget Administration Committee.

For years he has had important connections with econometric model builders and forecasters throughout North America and Eastern and Western Europe. Over the last decade he has served as an economic advisor and consultant to key economic agencies of the U.S. and Canadian governments and the State of Michigan.

He has been senior research associate of the Brookings Institution, research advisor of the Bank of Canada, consultant to the U.S. Treasury, research consultant to the Economic Council of Canada, and a member of the Council of the American Statistical Association.

His bachelor's degree was earned at McGill University. M.A. and Ph.D. degrees followed at Princeton University.

Shapiro was a member of the high school swim and water polo teams and played hockey and basketball through those years in Montreal, his birthplace. President and Mrs. Shapiro and their four daughters are now American citizens.

Paul W. Gikas, M.D. Faculty Representative

Dr. Paul Gikas is a Professor of Pathology in the Medical School. He was born in Lansing, Michigan and attended public schools there. He received his A.B. in 1950 and his M.D. in 1954, both from the University of Michigan. After an internship at Philadelphia General Hospital, he returned to the University Hospital in 1955 for residency training in pathology, which he completed in 1960 after serving two years as a medical officer in the United States Army. He has been on the Faculty since then and is actively involved in the teaching of pathology to medical students and postgraduate physicians. He is involved in the practice of surgical and autopsy pathology at the University Hospital with special interests in urologic pathology and the mechanism of injury in highway crashes. Dr. Gikas has served on the Senate Advisory Committee on University Affairs and various Medical School and University Hospital committees and was a member of the Board in Control of Intercollegiate Athletics for three years prior to his appointment as Faculty Representative to the Big Ten Conference in December, 1982. Dr. Gikas and his wife, Sue, reside in Ann Arbor and have three daughters and four grandchildren.

Don Canham Athletic Director

Don Canham has moved Michigan's athletic program along a successful road for more than a decade, but he is becoming increasingly concerned over the direction of all college athletics during the 1980s.

"The financial problems of intercollegiate athletics grow each year and everybody in this business had better look down the road and see what's ahead," cautions Canham. "The eroding effects of inflation are especially damaging to college athletics where the prime source of revenue is the football ticket."

After Canham was named the fifth athletic director in Michigan history in 1968 he launched a major direct mail and advertising program to sell football tickets, but he also established a series of fund raising clubs, organized parking and concessions and developed a new area of income such as marketing specialty items (souvenirs).

Meanwhile, Canham supervised a competitive athletic program that in 15 seasons has produced 55 Big Ten Championships (Michigan's total of 223 is a Conference record). Additionally, Michigan has broken NCAA attendance records over the last five years.

Physical improvements were not neglected. The latest projects include the recently constructed Michigan Fieldhouse that contains an entire football field with artificial turf and a new weight room and training facility for women athletes.

Special events have kept Michigan's facilities operating at near capacity. Canham twice has scheduled the Slippery Rock football game in Michigan Stadium. Michigan Hall of Honor Night, and Michigan Golf Open, NIT basketball games and State High School Basketball and Wrestling Championships are just some of the special events held at Michigan.

During the last decade, Canham has earmarked more than \$7 million for plant expansion and improvements. Additionally, he was a key mover in the \$7.2 million construction of new recreational sports facilities that gave Michigan one of the largest indoor complexes in the nation (333,000 square feet).

Other projects completed in the last decade include: construction of a Sports Service Building, the Indoor Track-Tennis Building which is used for varsity and University recreational purposes; remodeling of Yost Fieldhouse into an 8,100-seat ice arena; construction of an all-weather outdoor track; construction of an artificial surface practice field with lights; improvements on the baseball stadium; and a continuing renovation program for Michigan Stadium.

Building administrative and coaching staffs remains a priority for Canham. Promotions and retirements have forced complete turnovers in all but one sport, but the tradition of winning continues.

Michigan's intercollegiate program includes 22 varsity sports for men and women with an annual budget of \$11 million. The department is self-sufficient.

Nationally, Canham serves on various Big Ten and NCAA committees. He is invited by other universities and business groups to speak on promotion and administration. He has been elected to the Michigan Sports Hall of Fame and the U.S. Track and Field Hall of Fame. He has developed the first national sports promotion and management clinic.

Canham was Michigan's track captain and NCAA high jump champion during his undergraduate years. He served in the Army Air Force, coached and taught at Kankakee, Illinois High School, and was an assistant track coach at Michigan for two years before being named head coach in 1948. His Wolverine teams won 12 Big Ten titles in 19 years. During this time he built a highly successful manufacturing company that was placed in trust upon his appointment as athletic director.

Canham and his wife Marilyn have a son, Don Jr., and a daughter, Clare, both University of Michigan graduates.

Of Colors, Song And Michigan

Michigan's athletic traditions date back more than a century ago. Students, as early as 1861, referred to themselves as Wolverines, and, of course, Michigan is known as the Wolverine state. The graduating class of 1867 selected Maize and Blue as the school colors. Michigan's famed fight song, "The Victors", was written in 1898 by Louis Elbel to commemorate a last-second, 12-11 victory over Chicago that produced the Wolverines' first Western Conference football championship. In 1903 a five-gallon jug used for drinking water was left in Minnesota and six years later the Gophers and Wolverines played a football game that became known as the battle for the "Little Brown Jug." When Coach Fritz Crisler arrived at Michigan in 1938 he wanted to "dress up the plain, black football helmet" used at that time. The result was the distinctive winged-helmet still used by today's Wolverines.

An 83-yard pass from Rick Leach to Jim Smith in the 1975 game with Purdue is the longest in Wolverine history.

The University of Michigan Fieldhouse

In December of 1980 Michigan's Athletic Department dedicated its new fieldhouse. The 72,000 square foot building contains an entire artificial covered football field. It is the largest such indoor facility in college athletics and it is capable of serving Michigan's entire athletic program.

**The 1983
Outlook**

1983 Prospectus

When Michigan takes the practice field in mid-August to prepare for the 1983 season, the Wolverines will be looking at their offensive line and the return of quarterback Steve Smith for strength, and the Maize and Blue will be wondering how to fill some key losses especially in the defensive secondary.

One aspect of the game is certain, Michigan will come out hitting from the opening bell. The spring practice was extremely physical and Bo Schembechler believes the way to win the Big Ten crown once again will be through physical football.

During the spring, Michigan scrimmaged nearly 80 percent of the time. And despite the hard hitting, the Wolverines came out rather healthy.

The biggest loss was linebacker Phil Lewandowski (6-3, 222, Jr. from Solon, OH). He suffered a knee injury and will be out for the season.

Kerry Smith (23)

Tom Wilcher (6-0, 185, So. from Detroit) missed spring practice due to a knee injury suffered during a dual track meet in January, but he has progressed to a point where he could become a factor at tailback before the year is out.

Even though Anthony Carter is playing professional football, offensive tackle Stefan Humphries and center Tom Dixon are two seniors who merit All-American attention. Humphries was named first team Academic All-American, first team All-Big Ten, and second team NEA (Newspaper Editor's Association) All-American in '82. Dixon also grabbed first team All-Big Ten honors and was named All-American by *The Football News*.

Here is a rundown on the Michigan team going into practice in August.

QUARTERBACK: Steve Smith (6-0, 191, Sr. from Grand Blanc) returns for his final season at Michigan. If all goes properly, the talented, multi-faceted Michigan quarterback could hold almost all Michigan records for quarterbacks when the Michigan season ends in '83.

Unfortunately for Smith, a separated shoulder during the Rose Bowl game has opened up opportunities for others at quarterback. David Hall (6-4, 205, Sr. from Livonia) and Jim Harbaugh (6-3, 200, So. from Palo Alto, Ca.) looked impressive as Smith's replacement during spring practice, getting the bulk of the workload as Smith was unable to throw due to the injury.

Also battling for the position will be Dan Decker (6-2, 197, So. from Roseville).

RUNNINGBACK: Lawrence Ricks is gone. He was the second-leading rusher in the Big Ten who replaced Butch Woolfolk superbly and then some. The durable Barberton, OH native will be missed, but Schembechler's penchant for replacing runningbacks with individuals who are outstanding should make the tailback slot a strong point in the 'M' offense once again.

Rick Rogers (6-2, 216, Jr. from Inkster), Kerry Smith (6-2, 203, Sr. from Grand Rapids), Brian Mercer (6-2, 202, Jr. from Cincinnati, OH), and Ben Logue (6-0, 195, So. from Atlanta, GA) could wind up as number one.

FULLBACK: Last year, the Wolverines were hurt by inexperience. Dan Rice and Eddie Garrett along with Greg Armstrong were all young, and the loss of Jerald Ingram (6-1, 225, Sr. from Beaver Falls, PA) due to injury forced Schembechler to use all three players throughout the year. Now, Rice (6-2, 229, So.

Al Sincich (53) and Tom Hassel (48) return to anchor the defense.

from Roxbury, MA), Garrett (6-2, 220, So. from Milwaukee, WI) and Armstrong (6-2, 211, Sr. from Middleton, OH) have gained a great deal of playing experience. And along with the return of Ingram for his final year of eligibility, the fullback position has to make Schembechler smile. Bob Perryman (6-2, 226, So. from Buzzard's Bay, MA) lined up at fullback last fall and could see some action there in '83, or could even find himself at tailback.

WIDE RECEIVER: Anthony Carter is gone. The Wolverines will be looking for a new wide side threat. Will Gilvanni Johnson (6-2, 175, So. from Detroit) be the new target? Or how about Steve Johnson (5-10, 170, So. from Youngstown, OH). And maybe, Vince Bean (6-3, 190, Sr. from Southfield)? If he's healthy. The names of Derek Woodmore (6-1, 192, So.

from Auburn Heights) and Ivan Hicks (6-2, 173, So. from Pennsauken, NJ) are also in the forefront. And if Triando Markray (6-2, 182, So. from Detroit) can bounce back from a knee injury, he will be in contention. Markray has been clocked at 4.57 in the 40 after rehabilitation and could be interesting to watch. Steve Johnson is a talented individual who could find himself at defensive back.

TIGHT END: Even though Craig Dunaway has graduated, the Wolverines have three top contenders for the position who have seen action and a couple of individuals who haven't seen actual game competition but could be right up there on opening day. Sim Nelson (6-3, 235, Jr. from Ft. Wayne, IN), Milt Carthens (6-3, 245, Sr. from Pontiac), and Eric Kattus (6-6, 222, Jr. from Cincinnati, OH) are

Steve Smith (16) and Stefan Humphries (76)

the three players with experience. Nelson and Carthens both saw plenty of action in '82 while Kattus suffered a knee injury early in the season and will have to bounce back. Paul Schmerge (6-2, 222, So. from Cincinnati, OH) is also a top contender for the number one slot. His brother Mark played for Michigan in '75-'78.

OFFENSIVE LINE: Stefan Humphries (6-4, 262, Sr. OG from Broward, FL) along with center Tom Dixon (6-2, 249, Sr. from Ft. Wayne, IN) are the two top returnees on the line. Both players were Big Ten first team selections and both found their way on to various All-American teams throughout the nation. This year both players are pre-season All-American selections and will be the mainstay in Michigan's offense.

The loss of Rich Strenger is the major problem on the front line but Schembechler has some excellent talent to fill the void.

Jerry Diorio (6-3, 245, Sr. Guard from Youngstown, OH), Doug James (6-2, 287, Sr. Quick Tackle from Louisville, KY), and long snapper Larry Sweeney (6-2, 255, Sr. from Alma) all had plenty of action in '82 and with Jerry Quaerna (6-5, 265, So. from Ft. Atkinson, WI), Ron Prusa (6-3, 255, Sr. from Chicago, IL), Art Balourdos (6-2, 239, Jr. from Chicago, IL), Clay Miller (6-4, 258, Jr. from Norman, OK), Bob Popowski (6-3, 251, Jr. from Chicago, IL), Mark Hammerstein (6-4, 262, So. from Wapakoneta, OH), and Bob Tabachino (6-0, 255, Jr. from Youngstown, OH) the offensive line seems to be in excellent shape as all battle for starting positions.

DEFENSIVE LINE: Kevin Brooks (6-6, 241, Jr. from Detroit) was lost to Michigan for most of the year in '82 due to a knee injury. He came back at the end of the season and Bo Schembechler feels this defensive tackle could be as good as Curtis Greer (now playing for the St. Louis Cardinals). And after that, the Michigan defensive line doesn't let up.

Middle guards Al Sincich (6-1, 222, Jr. from Cleveland, OH) and Nate Rodgers (6-0, 234, Sr. from Warren, OH) both return. The remainder of the line will probably be set after pre-season drills are over but when the coaches look at Mike Hammerstein (6-4, 230, Jr., Defensive Tackle from Wapakoneta, OH), Vince DeFelice (6-2, 246, Sr. from Trenton), Joe Gray (6-1, 230, Jr. from Detroit), Dave Meredith (6-4, 245, Sr. from Sterling Heights), Mike Krauss (6-5, 240, So. from Clinton), and Mike Wilson (6-3, 237, Sr. from Detroit) they know they will have plenty of competition for the remaining spots.

LINEBACKER: Inside linebacker Mike Boren (6-3, 226, Sr. from Columbus, OH) was Michigan's leading tackler last season, and this year Boren returns as the mainstay at his

position. Carlton Rose (6-1, 215, Sr. OLB from Ft. Lauderdale, FL) and Tom Hassel (6-0, 210, Sr., OLB from Cincinnati, OH) also witnessed starting action in '82 and should return to enjoy similar status this year. (Hassel was moved from fullback to linebacker in '82). Even when Michigan has had few names returning on defense, Schembechler has always had players waiting in the wings. And this year is no different.

Inside linebacker Jeff Akers (6-2, 219, Jr. from Lynn, MA), Tim Anderson (6-2, 218, Sr. from Ann Arbor), Andy Moeller (6-1, 219, So. from Ann Arbor), Mike Reinhold (6-3, 222, So. from Muskegon), and Mike Mallory (6-2, 212, Jr. from DeKalb, IL) will be fighting it out for starting berths and back up positions.

Rodney Lyles (6-3, 226, Sr. from Miami, FL) is the only other linebacker listed at the moment who could be a newcomer to the starting '11.' But the possibility of moving Akers outside along with Jim Scarcelli (6-6, 213, Jr. from Warren, OH), with other possible changes will make for an interesting August for the OLB's.

DEFENSIVE BACKS: Second team All-American Keith Bostic is gone, and this year Michigan has to find a few good men to replace not only Bostic but Jerry Burgei and Marion Body in the backfield.

Evan Cooper (6-0, 176, Sr. from Miami, FL), Tony Gant (6-2, 171, So. from Fremont, OH), and fifth-year players John Lott (6-0, 178, Sr. from Masury, OH), Jeff Cohen (5-11, 198, Sr. from Farmington Hills), and Rich Hewlett (6-1, 195, Sr. from Plymouth) return after seeing plenty of action in '82.

Also vying for the starting spots will be Dieter Heren (6-3, 200 So. from Ft. Wayne, IN), Greg Randall (6-0, 175, So. from Chagrin Falls, OH), and Ivan Hicks.

Fortunately for Michigan, the coaching staff believes one of the strengths of its recruiting in '83 was at defensive back which could provide even more new names in the fall.

PUNTER: Don Bracken (6-1, 205, Sr. from Thermopolis, WY) returns to handle the chores. Last year, Bracken averaged 39.2 yards per attempt, but provided excellent height on all punts allowing the specialty teams to hold the opposition to an average of only 2.9 yards per return.

PLACEKICKER: The replacement for Ali Haji-Sheikh will be one of the following four players: Pat Moons (5-10, 160, So. from Ft. Lauderdale, FL), Todd Schlopy (5-10, 165, Sr. from Orchard Park, NY), Mike Melnyk (6-1, 165, Sr. from Warren, OH), and Bob Bergeron (5-8, 150, Sr. from Ft. Wayne, IN). Since the position is wide open, the competition during pre-season practice in August should be exciting.

Meet The
Wolverines

Bo Schembechler — A Man of Achievement

Glenn E. "Bo" Schembechler, the dean of Big Ten coaches, has earned the right to be called one of college football's all-time great coaches. He smiles in a very humble way when he is described in that manner, and he would be the first to tell you that he isn't the reason for the high level of success that the Michigan football program has achieved. He would speak in glowing terms of his coaching staff and of the fine student-athletes he has had the opportunity to coach. His loyalty to Michigan is matched only by the success he has achieved at the Ann Arbor campus. One can't deny that he has been the major reason for the success of the Michigan football program in the last fourteen seasons. The following achievements need to only be listed to see that Bo is indeed one of the finest coaches in the nation.

- ☆ A career won-lost record at Michigan of 131-28-3, a sparkling .817 winning percentage. Including his six year tenure as coach at Miami of Ohio (1963-68), he has an overall record of 171-45-6 in 20 years as head coach, a figure that ranks second among all active coaches.
- ☆ Never had one losing season in 20 years as a head coach.
- ☆ Eight of his fourteen teams at Michigan have won ten or more games in a season.
- ☆ Twelve of his fourteen teams at Michigan have been ranked in the Top Ten in the final wire service polls (AP and/or UPI).
- ☆ Ten of his fourteen teams have either won or tied for the Big Ten championship.
- ☆ Ten of his fourteen Wolverine units have gone to bowl games. Seven Rose Bowl appearances and trips to the Orange Bowl, Gator Bowl and Bluebonnet Bowl are among his achievements. Michigan has appeared in a bowl game each of the last eight years.
- ☆ During the 1970's his regular season record of 96-10-3 was the finest in the nation.
- ☆ He has a sparkling 87.4% winning record against Big Ten opponents.
- ☆ He was named national Coach of the Year in 1969 as well as Mid-American Coach of the Year in 1965 and Big Ten Coach of the Year in 1972 and 1980, and UPI Big Ten Coach of the Year in 1982.
- ☆ Currently President of the American Football Coaches Association.
- ☆ During the 1970's, his teams were ranked eighth or higher in seven national statistical categories including first in won-lost record (96-10-3), first in rushing defense (106.6), first in total defense (226.3) and first in scoring defense (8.04).

- ☆ Twenty-nine different Michigan players have achieved first-team All-American honors under Schembechler.
- ☆ At least one Wolverine player per season has achieved first-team All-American status in each of his fourteen years at Michigan.
- ☆ Seventy-seven different players have earned first-team All-Big Ten honors at Michigan during his coaching reign.
- ☆ His 131 career wins at Michigan make him the second winningest all-time coach in the school's history, next to Fielding Yost's 165 victories.

Schembechler was a prep football All-Stater at Barberton (Ohio) High School. He continued his football career at Miami of Ohio where he was an offensive tackle for three seasons. He played under George Blackburn and Woody Hayes. He was also a fine lefthander for the Miami baseball team.

He graduated in 1951 and received a master's degree in 1952 at Ohio State where he served as a graduate assistant coach. After serving in the U.S. Army, he was a line coach at Presbyterian College in 1954, a line coach at Bowling Green in 1955, then joined Ara Parseghian's staff at Northwestern in 1958 before serving for the next five seasons as an assistant at Ohio State. He was appointed head football coach at Miami of Ohio in 1963, a position he held until taking over the Michigan program prior to the 1969 campaign.

Schembechler annually conducts a coaching clinic for high school coaches that is regarded as one of the most informative such events in the nation. He also attends a series of alumni gatherings during the summer. Schembechler is featured in a weekly television show in Detroit and on a state network called "Michigan Replay."

Bo and his wife, Millie, have four children: Chip, Geoff, Matt and Shemy.

On a sweltering Saturday afternoon, Michigan started off the 1982 season by gaining its revenge against last year's Big Ten surprise Wisconsin—but just barely. A year ago the Badgers entertained #1 ranked Michigan and dashed the Wolverines hopes for a national title, winning 21-14.

This time around Michigan jumped out to a quick 7-0 lead on a four-yard run by tailback Larry Ricks. Wisconsin, not to be outdone, picked up the next two scores, a Mark Down 32-yard field goal and a one-yard TD run by Randy Wright to close out the first quarter scoring. Michigan added a touchdown before the end of the half as a long drive, consisting mainly of Rick Rogers and Steve Smith carrying the ball, culminated in a Roger's TD dive from two-yards out. The two-pointer failed but 'M' held the lead, 13-9.

The second half saw deep penetrations by each team but only one score. With 8:28 remaining, Smith rolled left and broke over tackle for a six-yard TD.

Ricks, who replaced graduated All-American Butch Woolfolk at tailback, had quite a day for Michigan totaling 153 yards on 24 carries. While Wisconsin was hurt by eight penalties that set the Badgers back 81 yards, Smith went 12 for 19 but had two aeriels intercepted.

Notre Dame put up the first three scores of the game, two field goals by placekicker Mike Johnston and a Larry Moriarty 24-yard scamper around left end, to make the score 13-0 at halftime. Wolverine two-time All-American Anthony Carter scored on a dazzling 72-yard punt return in the third quarter to cut ND's lead to 13-7. After two more Irish scores, however, Notre Dame jumped ahead, 23-7.

The final quarter featured one of the most incredible TD receptions in Michigan history. After Ali Haji-Sheikh's three-pointer from 42 yards pulled the Wolverines to within two touchdowns, quarterback Steve Smith lofted a pass to Steve Johnson. A crushing blow by the ND secondary jarred the ball free and, as it bounded off the Irish defender's shoulder, 'M' tailback Rick Rogers grabbed the loose ball and raced 39 yards for the score. The touchdown pulled Michigan to within six points with 7:30 left to play. On the Blue's last scoring attempt, however, Irishman Dave Duerson stole the ball after a Vince Bean reception at the ND 30 yardline and the Wolverines' fate was sealed.

Michigan opened the game with three quick touchdowns to take a 21-0 lead in what looked to be a traditional 'M' runaway. The Wolverines looked unstoppable as Larry Ricks scored from nine yards out, Steve Smith tallied on a six-yard option run and Anthony Carter snagged a five-yard TD pass.

Late in the second quarter, however, the UCLA offense shifted into high gear. The Bruins, behind the arm of quarterback Tom Ramsey, staged a magnificent comeback to outscore Michigan 31-6 in the remaining 35 minutes.

Ramsey, who finished the day with 311 yards passing, threw for two touchdowns of 46 and six yards while also scoring on a one-yard run. The Wolverines retaliated with two Ali Haji-Sheikh field goal kicks of 47 and 48 yards to regain the lead.

UCLA claimed the victory when Kevin Nelson crossed the goalline from two yards out and John Lee booted a 26-yard field goal.

The Michigan-Indiana game once again pitted the Wolverine defense against another outstanding passing offense in Hoosier quarterback Babe Laufenberg and his game-breaking receiver Duane Gunn.

The Blue defense held the duo to just four completions, however, while the Wolverine ground attack dominated the game. Michigan rushed for 334 net yards with most being picked up by Larry Ricks who ran for 124 yards.

Ali Haji-Sheikh led off the scoring in the first quarter with a 50-yard field goal, the longest of his career. Steve Smith added a TD in the second period on a twisting 37-yard jaunt through the Hoosier defense and a Dan Rice plunge from the one gave Michigan a 17-0 lead.

Indiana came back on a 20-yard Doug Smith field goal and an eight-yard Laufenberg to Gunn TD pass to move within a touchdown.

On the ensuing series, however, Michigan drove 75 yards with Ricks scoring on a 24-yard scamper to seal the win.

Hopes were high for a thriller between Michigan and arch-rival Michigan State. A win was needed by both squads. Michigan was an unimpressive 2-2 and MSU came in 0-4. It wasn't to be. Michigan thoroughly dismantled Michigan State's highly touted defense, picking up 456 yards, 274 on the ground and 182 behind the arm of Steve Smith.

Michigan came away with the first three scores, all touchdowns, commencing with Smith's two-yard rush in the first quarter. Second period action saw Lawrence Ricks score on a 7-yard run, tight-end Craig Dunaway snag a 7-yard pass from Smith, and Ali Haji-Sheikh added the point after to put 'M' up 21-0. Michigan State's Rafi Mojsiejenko made it 21-3 at halftime as he banged a 31-yarder home.

In the third period, Michigan tacked on 10 more points. Haji-Sheikh hit a 27-yard field goal and Anthony Carter hauled in a 14-yard aerial for a score to break the Big Ten record of 34 career touchdowns through the air.

Michigan flew into Iowa City to meet last year's Big Ten Rose Bowl representative. The last encounter, a 9-7 Iowa win, was dominated by Iowa's defense, but this time it was Michigan's defense that determined the outcome.

The first major play of the game came in the second period when the Wolverine defense put up a goal line stand to be remembered. From inside the one Iowa ran two straight dives to no avail and ended up turning the ball over. Leading the stand were Michigan's Jerry Burgei, Winfred Carraway, Mike Hammerstein, Paul Girgash, and Mike Boren. A series later the defense again rose to the occasion. On fourth down Carlton Rose swept in and blocked Reggie Roby's punt which bounded out of the end zone for a safety. Michigan added 10 more points before the end of the half to lead 12-0.

Second half action saw Ali Haji-Sheikh boot a 26-yard field goal and Rick Rogers added two touchdowns on runs of five and one to push the tally to 29-0. Iowa put seven points on the board with 2:24 remaining. With the victory and Ohio State's win over Illinois, Michigan's 4-0 record was at the top of the Big Ten.

The Northwestern Wildcats' euphoria which followed their two early season wins this year, home field advantage, and 436 passing yards by NCAA record breaking freshman Sandy Schwab weren't enough to stop the steamrolling Wolverines. Michigan played superb ball through the first half and with the game in hand played reserves the rest of the way to gain some game experience.

Northwestern started the contest off driving to the 'M' 12, but Schwab miscalculated and Keith Bostic picked off his errant throw. Michigan then held the Wildcats in check until the fourth quarter while scoring 49 points. Lawrence Ricks scored from one yard away to begin the point parade. In the second quarter, Steve Smith garnered two TDs and Anthony Carter went over the goal line twice, on 34 and 29 yard receptions. Craig Dunaway's 12-yard TD grab was the last score of the half.

Bostic put Michigan up 49-0 early in the third with an interception of a Schwab pass which he returned 54 yards for a score.

Michigan came back to Ann Arbor expecting a dogfight from the Gophers, but it was Michigan's offense, which again scored at will on its opposition, that decided the game. The Wolverines rolled up 566 total yards, 349 of them coming on the ground. Lawrence Ricks earned 135 yards on 18 carries and junior Kerry Smith slashed for 113 yards in 11 attempts to lead the way.

Michigan scored on five of its first six possessions beginning with a 29-yard reception by Anthony Carter. After a fruitless second series, Michigan's Steve Smith ran an option six yards, Dan Rice caught a single-yard pass, and Rick Rogers burst in the endzone from 10 yards away for three more 'M' scores.

Minnesota got on the scoreboard at this point as Mike Hohensee threw a 13-yard TD pass, but Michigan added a field goal as the clock ran out.

Sheikh Hits Big

When Wolverine placekicker Ali Haji-Sheikh had to come up with the big points in the Illinois game, he did just that. In the third quarter, he kicked field goals of 45 and 47 yards to give Michigan its six point margin of victory. Sheikh also had to kick a 30-yard field goal in the second quarter.

Illinois was looking at first down and goal to go from the 5-yard line, with only a minute left to play. Michigan's defense, as they had done all day long, bent but failed to break. On the first two downs, Tony Eason's passes were dropped, and on third down, Eason connected for three yards. The fatal fourth down call was for a run up the middle, but when Dwight Beverly came to the line, Carlton Rose and the rest of the Michigan defense was there to crush the Illini's hopes.

Illinois' Mike Bass gave the home team the early lead with a 26-yard field goal, but Michigan came back quickly with a Steve Smith to Anthony Carter connection good for a 40-yard touchdown. Carter took the ball on a simple post pattern on the left side, used a great downfield block of Vince Bean and zipped across the field and up the right sideline for the score. Second period action again saw an exchange of scores as Ali Haji-Sheikh booted a 30-yarder for Michigan and Illinois' Eason found Mike Martin for a 7-yard touchdown pass to force a 10-10 halftime time.

The last and tie-breaking points came in the third stanza when Michigan's ever valuable kicker, Haji-Sheikh, connected for field goals from 45 and 47 yards away. Both teams racked up plenty of yardage, but most of them came between the 20 yard lines.

Purdue	0	7	0	14-21

Michigan, needing but one win in the final two contests to wrap up the Big Ten Championship and a Pasadena berth, wanted to do it in Michigan Stadium in a CBS-covered Purdue matchup. It turned out to be a gala last home game for the seniors of '83. Early Boilermaker fumbles gave Michigan the chance to bury its opponent and the Wolverines succeeded.

Scores in the first half included a Steve Smith to Anthony Carter pass for 48 yards, Lawrence Ricks powering in from the 4-yard line, a 26-yard field goal from Ali Haji-Sheikh, and runs of a single yard by Ricks and Smith. The score at the half was 31-7.

Second half play consisted of Michigan tacking up three fourth-quarter TDs and Purdue two. For the Wolverines, Kerry Smith and Eddie Garrett had touchdown runs of 1 and 6 yards, respectively, and Carter finished off his last performance in front of the Ann Arbor crowd with a grab of a tipped Smith pass which he juggled, hauled in, and high-stepped in for a 62-yard score.

Purdue's points came on Scott Campbell throws of 4 and 12 yards and the final was 52-21.

The Wolverines traveled to Columbus carrying their conference crown to meet second place Ohio State (6-1), who even with a win couldn't share the honor because of playing one less Big Ten game. That, however, didn't slow down the intensity.

Michigan notched the first points with Lawrence Ricks going over from a yard away early in the first half, but the Wolverines were thwarted time and again after that, mainly on account of their six turnovers. In fact, the Wolverines scored only once more, that coming on a Steve Smith four-yard carry for the TD.

OSU used runs by Vaughn Broadnax 6 yards, and tailback Tim Spencer, 2 yard and a single yard, to total up a 21-14 lead in the fourth period. They added a 33-yard field goal by Rich Spangler to close out the scoring. Michigan's miscues cost them the chance to even get in the contest.

Some sidelights of the traditional Michigan-Ohio State game were Tim Spencer's winning the Big Ten rushing title over Michigan's Ricks, 129.3 to 128.3 (Ricks had gone into the game with a .6 of a yard lead), and the fact that this year's game was the first one since 1971 that didn't decide who was to win the championship and the trip to the Rose Bowl.

New Year's Day 1983 provided Michigan with a chance to avenge an early season loss to UCLA in which All American quarterback Tom Ramsey led the Bruins to a come-from-behind victory. However, two key first half injuries greatly disabled the Wolverines and UCLA prevailed 24-14. The Bruins used a balanced attack of 181 passing and 162 rushing yards and never turned the ball over; Michigan committed four turnovers.

The Blue offense started its first drive with the game's first play from scrimmage and when the drive ended three plays later, the Wolverines had gained three yards and lost one lineman, senior Rich Strenger. When he left the game for good with an injured knee Michigan's offensive line lost its anchor. Wolverine runners were held to 110 yards on the day, the second lowest total of the season.

A 1-yard squeak by Ramsey on UCLA's second drive put the Bruins up 7-0 in the first quarter, a lead they never relinquished. In the second quarter, Wolverine quarterback Steve Smith ran an 8-yard option for a first down, but took a vicious hit from Bruin free safety Don Rogers. Smith left the game with a separated shoulder and did not return. Junior Dave Hall, with 7 completions in 14 attempts for the season, finished the game in admirable fashion, but his inexperience hurt the Wolverines.

Late in the second quarter, kicker John Lee gave UCLA a 10-0 lead with a 39-yard field goal. However, the Wolverines stormed back after the intermission and drove 55 yards for a touchdown. Hall passed the final yard to Eddie Garrett in the third quarter to bring the Blue within three.

On the next drive the Bruins took control with Ramsey leading the way, pass-

ing for 33 yards and running for 20 in an 80-yard TD drive. With UCLA up 17-7 and 9 minutes left to go, the Wolverines took over deep in their own territory. Here Hall showed his inexperience by lobbing a pass into the hands of Bruin Blanchard Montgomery. The 230 pound line-backer galloped 11 yards into the end-zone to seal the Wolverines' fate.

After Hall passed to fullback Dan Rice for a 1-yard touchdown in the fourth quarter, the score read 24-14 in UCLA's favor. However, Michigan could not muster another scoring drive, and UCLA took home the roses.

★ MICHIGAN FOOTBALL ★
An Unmatched Tradition
of Excellence

Football tradition is built gradually, woven piece by piece over the years. It is earned over time. Michigan's outstanding football tradition is one that has been built during the course of 104 seasons of competition. The success achieved over that period of time clearly labels the Wolverines' football program as one that doesn't take a back seat to any other in the nation. Trying to draw out achievements in what has been a sea of success isn't easy, but here are some of the most notable Michigan accomplishments.

- ★ The Wolverines' 640 victories is the best among all Division I schools. And the .741 winning percentage is the second best among all Division I schools.
- ★ Eighty-two Wolverine players have been honored with first-team All-American status.
- ★ Seventeen Michigan players and four Wolverine coaches have been inducted into the National Football Foundation Hall of Fame.
- ★ Michigan has captured 31 Big Ten titles in football, the most of any conference member.
- ★ Michigan won the first Rose Bowl game in 1902, defeating Stanford 49-0. The Wolverines have played in eleven Rose Bowls games, including a 23-6 win over Washington in 1981.

THE SCHEMBECHLER ERA

— Making the Michigan Football Tradition Even Richer

Bo Schembechler, the fourteenth head coach at Michigan, has more than added to the rich Wolverine football tradition during his 14 years at the helm. Here are some of the more notable achievements of the Schembechler era at Michigan.

- ★ With ten Big Ten titles in 14 years, he shares the honor of most Big Ten titles with Fielding Yost, winning more than any other Michigan coach in history.
- ★ A 131-28-3 (82.0%) overall record. His record against Big Ten teams in his 14 years at the helm is 98-14-1 (87.0%).
- ★ Twelve of his 14 Michigan teams have ended the season ranked in the Top Ten.
- ★ Ten of his 14 Michigan squads have gone to bowl games, including each of the last seven.
- ★ Twenty-nine of Michigan's 82 All-Americans have played under Schembechler.
- ★ Michigan's 96-10-3 regular season record during the decade of the 1970's was the best of any team in the nation.
- ★ Eight of his fourteen teams have won ten or more games in a season.

Michigan Football Awards

Each year, three special awards are given to players on the Michigan football team. The awards are the John F. Maulbetsch Award, the Meyer Morton Award, and the Frederick C. Matthaehi Scholarship Award.

Maulbetsch Award

The John F. Maulbetsch Award is given to the freshman football candidate after spring practice on the basis of desire, character, capacity for leadership and future success both on and off the gridiron. It was established by Frederick C. Matthaehi in 1954 in honor of the late John F. Maulbetsch, All-American halfback on the 1914 team.

Meyer Morton Award

The Meyer Morton Award is given to the football player who shows greatest development and most promise as a result of the annual spring practice. The award is given in honor of the late Meyer Morton, noted Big Ten official.

Matthaehi Award

The Frederick C. Matthaehi Award is given to the junior-to-be gridder who has displayed leadership, drive, and achievement on the athletic field and in the classroom. The award was established by Frederick C. Matthaehi in 1968.

History of Scoring

Before 1883 there were no numerical values attached to touchdowns, goals, etc. In determining the winner, such values as four touchdowns equaling one field goal and one touchdown equaling two safeties were established. Walter Camp established the first numerical values which were changed over the years to better represent their importance and difficulty in achieving.

The University of Michigan Marching Band

The Michigan Marching Band enters the 1983 season as one of the most active and most respected bands in America. The director of the Michigan Marching Band is Eric A. Becher, now in his fourth year of leadership. Before assuming the director's post, Mr. Becher earned Bachelor's and Master's degrees from the University of Michigan School of Music and was himself a member of the Marching Band for four years.

This season's schedule will be another demanding one for members of the band. In addition to preparing and performing new pre-game and half-time shows for all six of Michigan's home football games, the Marching Band will play numerous concert performances, pep rallies, and parades. The band will also accompany the football team to at least one away game: Michigan State, October 8. And the Michigan Band always anticipates accompanying the team to a post-season bowl game.

Another highlight of the 1983 season will be Homecoming, October 22, when several hundred Michigan Band alumni will return to the gridiron for their annual "Blast from the Past" during half-time of the Iowa game.

The Michigan Marching Band's tradition of excellence is longstanding. First appearing on a Michigan football field during the 1896 season with just a handful of musicians, the current Marching Band numbers 225 performers. The Michigan Marching Band is the only band to have played at all of the following bowl games: Rose Bowl (ten times), Super Bowl (twice), Orange Bowl, Gator Bowl, and Bluebonnet Bowl. And last year, the John Philip Sousa Foundation awarded the Michigan Marching Band the Sudler Trophy, indicative of the best collegiate band in the nation.

Through the years, the Michigan Band has always been in wide demand for concert appearances, pep rallies, parades and recordings. The Marching Band's best-selling album "Halftime Classics" is currently available, with proceeds going to scholarship funds.

In addition to Director Becher, this year's band staff will include four part-time assistants and a student Business Manager, Equipment Manager, and Librarian. The stadium voice of the Michigan Band is Carl Grapentine, now in his fourteenth season.
